PRESIDENT'S CONNER

It has been a quick and fun two years since I was elected president of the Green Country Fly Fishers. This experience has given me the opportunity to work with some really wonderful people and it has broadened my horizons for fly fishing. Larry Johnson will be the new president and Dennis Kidd and I will share the duties of vice president. Gary Kilpatrick will continue in his role as secretary/treasurer. Our Holiday dinner and party is coming soon on December 10th. There will be a paid raffle for a high Hardy rod and reel and, hopefully, enough door prizes for everyone to go home with something. Members should be thinking about what they could offer for door prizes. With winter coming soon we will be spending more time tying and less time fishing. The club will not have a tying session in December but will have one on the third Thursday in January. There is an informal tying every other Saturday in Dearing, KS at Kings Cafe. Our member and good friend Dean Reed is having heart surgery and will need our support. Be thinking about him.

Fly Tying Competition

in November

Al Laurent's Parachute Adams was the winner in the open division and Keith Branham had the winning black ant fly in the novice division. Al has not announced the flies for the January meeting. There will not be a competition in December since the normal meeting is being replaced by the Christmas Dinner and party.

November Outing

November 13th was the club outing at Pawhuska Lake. Larry Johnson was the first to arrive around 7:00AM. Riley Osborn was there around 9:00 and Ed Hinton arrived at 10:00. Larry and Karyl Smith arrived in time for lunch at Bad Brads. Larry caught several nice rainbows while fishing from his float tube and wading. He was using a tan wooly booger with black hackle. Ed caught several trout but he said most were under 10 inches. Riley did not catch any trout just a couple of blue gill.
