Meetings at East Side Arvest Bank at 7 P.M.
First Tuesday of the Month

Lets not forget at the January meeting we will be discussing our outing schedule. Please be thinking about where we will be going and we will be searching for a chairperson and a 3 person committee to discuss and report back to the club at our February meeting for a vote of approval. The discussion will also involve the nature of these outings. We will also be voting on whether to give an award for participation at these outings and including tying sessions and club meetings. Please attend the meeting so we can get every ones opinion concerning these issues.

Lets all have a **Very Merry Christmas and a Happy New Year.**

Dennis Kidd was the lucky winner of the wonderful hardy rod and reel at this years christmas party. Congrats go to Dennis and we hope he puts that combo to good use. We would like to also give a great big thank you to Hardy and David at Big Carp Tackle for getting this done. Shawn Childress gets a great big thank you for co-ordinating this effort and getting us these great deals.

Congratulations to Dennis Kidd for receiving the Bob Cunningham award this year. Dennis has done a wonderful job serving in all capacities for the club and is one of those unselfish few that will always give his time and effort to whatever is asked of him.
